# Smart4B - Operational Planning

The screenshot displays the Smart4B Operational Planning interface, which is a cloud-based spreadsheet application. The main window shows a spreadsheet titled "VSB overzicht 2020" with columns for "VSB", "Omschrijving", "Kostprijs +10%", "Verkoop prijs", "Menu code", "VSB vrijgave", "Model jaar", "Stat... pak...", "Soort", "Arbeid/Onderdelen", and "Aantekeningen". The spreadsheet is filtered to show rows with "VSB" values ranging from 1537 to 3181. A browser window is open over the spreadsheet, displaying a technical manual for a "Toureg GP (7P-)" light switch. The manual includes instructions in Dutch: "Om de achterlichten continu te laten branden, moet de lichtschakelaar aangepast v. Hierdoor zal altijd het dimlicht branden ongeacht de stand van de schakelaar. Ga als volgt te werk: Lichtschakelaar uitbouw Demonteer de lichtschakelaar." The browser window also shows a list of parts: "INSTR.7P--03", "7P-003", "H116", "Werkzaamheden volg", "Dimlicht ongeacht de-", and "Hulpmateriaal pakket". An "Attachments" panel on the right side of the spreadsheet shows a PDF document titled "7P--03 (Dimlicht ongeacht...)" with a "Row 2530" label and a "Sort by Date" option. The interface includes a search bar at the top right, a "Share" button, and a sidebar with navigation icons.

# Smart4B - Events + Planning- screenshots

The screenshot displays the Smart4B software interface for resource planning. The main window is titled 'Monteurs' and shows a grid view of tasks and resources. The interface includes a menu bar (File, Automation, Forms), a toolbar with various icons, and a search bar. The grid has columns for dates and resources, with cells containing numerical values and colored backgrounds (blue, green, red, yellow) representing different task assignments or resource availability.
