# Smart4B - Operational Planning

The screenshot displays the Smart4B operational planning interface. The main window shows a spreadsheet titled "VSB overzicht 2020" with columns for "Omschrijving", "Kostprijs +10%", "Verkoop prijs", "Menu code", "VSB vrijgave", "Model jaar", "Stat... pak...", "Soort", "Arbeid/Onderdelen", and "Aantekeningen". The spreadsheet lists various vehicle models such as PASSAT, ARTEON, POLO, TOURAN, TIGUAN, and TOUAREG. A technical manual overlay is visible, showing instructions for "Touareg GP (7P-)" regarding the "Dimlicht, ongeacht de stand van de schakelaar". The manual includes a diagram of the "Lichtschakelaar uitbouw" and the instruction "Demonteer de lichtschakelaar." An "Attachments" panel on the right shows a PDF document titled "7P--03 (Dimlicht ongeacht...)" dated 8 June 2021.

The screenshot shows the Smart4B software interface for resource planning. The main window is titled 'Monteurs' and displays a grid with columns for dates and workers. The workers listed are Chur..., Jan, Ger..., Den..., Arjen, Kees, Hans, Henk, Joh..., Mei... Lan..., Nico, Pim, Rod..., and Wim. The grid shows numerical values for each date-worker combination, with cells colored in green, yellow, red, or blue. The interface includes a menu bar with 'File', 'Automation', and 'Forms', and a toolbar with various icons for editing and viewing. A search bar is visible in the top right corner.

The screenshot displays the Smart4B interface. On the left, there is a grid of product cards, each featuring an image, a product code (e.g., SDW03, SDW07, SDW06, SDW01), a description, and a price. The central part of the interface shows a table titled 'Example with Smartsheet Live Data Connector' with columns for 'ProdCode', 'ProdName', and 'ProdDesc'. A table with 11 rows is visible, where the row for 'SDW07' is highlighted. To the right of the table is a preview of a printed label for 'SDW07', which includes the product name, description, price (€ 3,25), and a QR code. At the bottom, there is a 'Print' button and a printer selection dropdown set to 'Samsung C460 Series (USB001)'. A 'Clear History' button is also present.
